ABOUT VITA-PAKT

Vita-Pakt Juice Company, was founded in 1947 as one of the first fresh orange juice companies in California. After being incorporated in 1957 as Vita-Pakt, we continue to be a significant part of California's citrus industry.

Our state of the art GFSI certified production facilities focus on food safety, which are keys to our success and longevity as a premier industrial ingredient and juice supplier!

We have production facilities in Lindsay, California. With production capabilities centered in the heart of the citrus growing region, we can remain sustainable and process the highest quality of fruit California can provide.
